Any item listed here may be borrowed free of charge from the Bureau of Information of the National Society for Crippled Children. Additional literature on any of the subjects discussed will be sent to any interested person upon request.

Articles appearing in this Society's bimonthly magazine, THE CRIPPLED CHILD, or in the bimonthly news letter, THE CRIPPLED CHILD BULLETIN, are not listed in this Bulletin.

A complete index for this volume will be issued at the end of the year. Information on periodicals in which articles listed in this issue originally appeared is given on Page 7.

Issued monthly to affiliated state and local societies for crippled children, state agencies engaged in the treatment, education or vocational rehabilitation of cripples, and public or private institutions and agencies having Institutional Membership in the National Society for Crippled Children. Available to others at 50¢ a year.

444. Agius, T., M.D.; Bartolo, A.E., M.D.; Coleiro, C., M.D.; and Seddon, H.J., D.M. Clinical Features of the Poliomyelitis Epidemic in Malta, 1942-3. British Medical Journal, June 2, 1945. 4404:759-763.

445. Aitken, Alexander P., M.D. Restoring Injured Workers. The Rehabilitation Center, 691 Boylston St., Boston, Mass. 1944. 20 pp.

Description, illustrations and case reports from curative workshop founded in Boston in 1943 by Liberty Mutual Insurance Co.

446. Amaral, Dr. F.M. New Hiring Technique Needed When the Veteran Comes Home. American Mechanist, May 10, 1945. 89:10:99-102.

Explains placement methods at Consolidated Vultee Aircraft Corporation.

447. American Council on Education. Rehabilitation of Veterans Under Public Law 113. Higher Education and National Defense Series, No. 81. 744 Jackson Place, Washington, D.C. May 2, 1945. 8 pp. 5¢.

448. American Council on Education. Vocational Rehabilitation of Disabled Veterans. Higher Education and National Defense Series, No. 80. 744 Jackson Place, Washington, D.C. March 27, 1945. 8 pp. 5¢.

449. American Russian Institute for Cultural Relations with the Soviet Union, Inc. The U. S.S.R. in Reconstruction. 56 West 45th St., New York 19. 1944. 160 pp.

Contains a section on disabled veterans by Rose Maurer, pp. 45-71.

450. Arma Corporation. The Arma-Navy Rehabilitation Program. 254 Thirty-Sixth St., Brooklyn 32, N.Y. 1945. 10 pp.

Explains program of war production, occupational therapy, and vocational training sponsored by the Arma Corporation in two U.S. Navy hospitals.

451. Artificial-Limb Controls for Amputees Developed by Aircraft Builder. Aeronautical Engineering Review, April, 1945. 4:4:145.

452. Backus, Ollie L. The Rehabilitation of Aphasic Veterans. Journal of Speech Disorders, June, 1945. 10:2:149-153.

453. Banta, K. Vernon. Jobs and the Handicapped. Journal of Rehabilitation, June 1945. 11:2:20-24.

Outlines the U. S. Employment Service program of job analysis, worker analysis, selective placement, training or other supplementary service, selective transfer in employment, supervisory participation and understanding, follow-up on placements, and keeping of minimum records for evaluation.

454. Baier, August, M.D. Handicapped Workers in Industry. Journal of Rehabilitation, June, 1945. 11:2:8-10.

455. Barton, Betsey. The Behavior of Pain. American Mercury, May, 1945. 60:257:563-569.

A paralyzed author writes of emotional reaction to pain and disability.

456. Bell, Vance. Crile Program Conditioned to Needs of Wounded. Steel, March 19, 1945. 116:12:82-83.

[see articles 457 and 458]

457. Bell, Vance. Industry Aids in Restoring Wounded Veterans to Health. Steel, March 12, 1945. 116:11:73-75. [See also articles 456 and 458.]

"Cleveland manufacturers install machinery, supply materials and supervision in shop at Crile General hospital, Cleveland. Disabled men given chance to learn and earn while they heal."

458. Bell, Vance. Wounded War Veterans, Working Way to Health, Boost Material Output. Steel, March 26, 1945. 116:13:72-73. [See also articles 456 and 457.]
459. Benson, Charles E. The Maine Veteran's Rehabilitation Experiment. School and Society, May 12, 1945. 61:1585:312-314.

Reports favorably on results with 60 veterans treated at a resort in Boothbay, Maine, in July and August, 1944.

460. Bone, Harry V. Vocational Rehabilitation of Physically Handicapped Persons of Arizona. Public Health News--Arizona, May, 1945. 38:5:1-2.
461. British Information Services. Britain and the Veteran. 30 Rockefeller Plaza, New York 20, N. Y. May, 1945. 20 pp.
462. Brown, Charles Owen. Current Developments in Equipment and Design. Industrial and Engineering Chemistry (Industrial Edition), May, 1945. 37:5:73-74.

Recommends that the chemical industry prepare its personnel departments for the utilization of many disabled veterans.

463. Brown, Frances M. A State Auxiliary Program of Speech Correction. Journal of Speech Disorders, June, 1945. 10:2:133-135.

Outlines the Minnesota Crippled Children's Services provisions, which include both a central clinic and itinerant clinic service.

464. Brown, Paul V. Training for Young Epileptics. Ohio Schools, May, 1945. 23:5:224.
465. Brunnstrom, Lt. Signe. Physical Therapy in Aftercare of Amputations of Lower Extremity. The Physiotherapy Review, May-June, 1945. 25:3:118-123.
466. Buch, Joseph H. Dr. Fred H. Albee--A Tribute. Journal of Rehabilitation, June, 1945. 11:2:32-35.

Includes historical data on the New Jersey Rehabilitation program.

467. Carpenter, Capt. Donald N. Rebuilding Our Jungle Fighters. American Forests, April, 1945. 51:4:166-169.

About the convalescent center for marines at Klamath Falls, Oregon.

468. Casey, Albert E., M.D. Place of Contact and Radial Spread of Epidemic Poliomyelitis. American Journal of Diseases of Children, March, 1945. 69:152-156.
469. Conover, W. R. Rehabilitation of the Armed Forces Trainees. Bulletin of the National Association of Secondary School Principals, Mar., 1945. 29:129:58-59.
470. Curdy, Robert E. Canaries and A Spastic. Spastic Review, June, 1945. 6:1:29-30

Canary-raising is this handicapped man's hobby and business.

471. Dacey, Phyllis M. Orthopedic Public Health Nursing and Physical Therapy in a Visiting Nurse Association. Bulletin--Missouri Society for Crippled Children, June, 1945. 18:2:6,12.

472. Dauer, C. C. Incidence of Poliomyelitis in the United States in 1944. Public Health Reports, June 8, 1945. 60:23:633-642.

Statistical study of the 19,053 cases reported in 1944.

473. Eckelmann, Dorathy; and Baldrige, Patricianne. Speech Training for the Child With a Cleft Palate. Journal of Speech Disorders, June, 1945. 10:2:137-147.

474. Fitzhugh, Mabel L. Sitting and Sleeping Habits of Children. The Physiotherapy Review, May-June, 1945. 25:3:110-113.

Describes postural habits common in childhood which may cause deformity.

475. Gibson, Peggy. A First in Texas Education. The Texas Outlook, June, 1945. 29:6:17-18.

Describes the Eloise Japhet School in San Antonio, the first public school in Texas used exclusively for crippled children.

476. Hankin, Francis. Rehabilitation and the Community. Municipal Review of Canada, April, 1945. 41:4:9-11.

477. Hansson, K. G., M.D. Rehabilitation. Antioch Review, Mar., 1945. 5:1:143-6.

Suggests need for more cooperation from fields of labor and insurance.

478. Healy, Lucile. The Role of the Medical Social Consultant. Journal of Rehabilitation, June, 1945. 11:2:3-7,10.

Tells how the consultant helps field workers in a rehabilitation program.

479. Heaton, Viola, R.N. Preventing Common Crippling Conditions. Bulletin--Missouri Society for Crippled Children, June, 1945. 18:2:4.

485. Lindquist, C. R. Camp Dowling for Crippled Children, "Head of the Rapids," Minnesota--Manual for Camp Counselors and Counselor-Attendants. Minnesota Assn. for Crippled Children and Disabled Adults, 1382 Northwestern Bank Bldg., Minneapolis, Minn. 1945. 40 pp. Mimeographed.

486. Lord, F. E., Ph.D. Special Education and Vocational Rehabilitation. Journal of Rehabilitation, June, 1945. 11:2:14-16,29.

487. Maris, Robert. The Little Trapezes. The New Republic, May 21, 1945. 112:21:706-707.

Account of a visit to a veterans' hospital.

488. Mayer, Laura. These Will Come Back. Survey Midmonthly, May, 1945. 81:5:137-139.

A Red Cross social worker describes adjustments made by maimed soldiers.

489. McIntosh, Rustin, M.D.; Badgley, Carl E., M.D.; Ghormley, Ralph K., M.D.; Gudekunst, Don W., M.D.; Ivy, Andrew C., M.D.; Karsner, Howard T., M.D.; Lee, Roger I., M.D.; and Viets, Henry R., M.D. Evaluation of the Results of Treatment in Infantile Paralysis. Journal of the American Medical Association, May 5, 1945. 128:1:21-22.

490. Merritt, H. Houston, M.D. Clinic for Convulsive Disorders. The Modern Hospital, June, 1945. 64:6:90.

Plan for handling epileptics in general hospital clinics.

491. Montgomery, Capt. Howard H. Rehabilitation in the Medical Department of the Navy. Occupations, May, 1945. 23:8:443-446.

492. Murphy, Ray. Can the Handicapped be Hired? Savings Bank Journal, April, 1945. 26:2:15,38.

493. National Civil Service League. Veteran Preference in the Civil Service. 67 West 44th St., New York 18, N. Y. 1945. 6 pp. Free.

494. National Foundation for Infantile Paralysis: Physical Therapy Program. The Physiotherapy Review, May-June, 1945. 25:3:127.

495. National Society for Crippled Children and Adults. Proceedings, Camp Workshop, Bartlett, Illinois, May 18, 19, and 20, 1945. Elyria, Ohio. 1945. 34 pp. Free. Mimeographed.

Jointly sponsored by the American Camping Association and the National Society, this workshop was attended by 45 persons, who discussed administration, personnel, and program of camps for crippled children.

496. Norfleet, Grizzelle M. Cerebral Palsy and Reflex Action. The Physiotherapy Review, May-June, 1945. 25:3:114-117.

497. Odoroff, M. E. [Address to] Spastic Club of Iowa. Iowa Society for Crippled Children and the Disabled, 400 Plymouth Bldg., Des Moines 9, Iowa. March 16, 1945. 4 pp. Mimeographed.

Summary of New Jersey state cerebral palsy program and advise to parents based on the speaker's experiences as a psychologist with this program.

498. Ohio Department of Education. Ohio Schools Progress Report 1944. Columbus, Ohio. Aug. 15, 1943 to Aug. 15, 1944. 129 pp.

Includes brief summary of the Ohio special education program by Hazel McIntire pp. 76-80, and of the Bureau of Vocational Rehabilitation by Marlow B. Perrin, pp. 20-23. [See article 406.]

499. O'Reilly, Archer, M.D. Public Health and Crippling Conditions. Bulletin--Missouri Society for Crippled Children, June, 1945. 18:2:5.
500. Owen, Commodore John P. Foreword to Symposium on Amputation--From the Naval Amputation Center, U. S. Naval Hospital, Mare Island, California. U. S. Naval Medical Bulletin, June, 1945. 44:6:1125-1128.

Participants in the symposium [pp. 1125-1210.] are: Joseph M. Greer, Henry H. Kessler, Douglas D. Toffelmier, Matthew Laurence, Gerald B. O'Connor, Paul F. Olson, Orlando S. Nesting, and Donald F. Coburn.

501. Peacher, William G. Speech Disorders in World War II. Journal of Speech Disorder June, 1945. 10:2:155-161.
502. Placement of Handicapped Workers in 1944. Monthly Labor Review, May, 1945. 60: 5:1008-1009.

Reports on placements of handicapped veterans in each state. Nearly 300,000 handicapped workers were placed by U. S. Employment Service in 1944.

503. Rose, Major Donald L. The Role of Physical Therapy and Occupational Therapy in the Army Reconditioning Program. The Physiotherapy Review, May-June, 1945. 25: 3:107-109.
504. Salisbury, Paul A. Needed--A National Foundation for Cerebral Palsy. Spastic Review, June, 1945. 6:1:5-7, 26-27. [Reprinted from Hospitals, April, 1944.]
505. Shover, Jayne. Illinois Program for Speech and Hearing. Journal of Speech Disorders, June, 1945. 10:2:117-122.

Diagnostic, remedial, and educational services for cleft palate, cerebral palsy, and other types of cases involving speech and for hearing defects are provided by the Division of Services for Crippled Children.
